

# COMMUNITY HEALTH LEARNING PROGRAMME (CHLP) STARTS APRIL 5th 2021

SOCHARA through SOPHEA - School of Public Health Equity and Action offers a unique Community Health Learning Programme (CHLP) in Bengaluru. Initiated in the year 2002 it has grown in strength. This year the CHLP includes a Community Health perspective on COVID-19.

Over 360 learners have graduated with stories of transformation. Many have gone to higher levels of leadership and meaningful community health work.

## ELIGIBILITY CRITERIA

- Graduates in Health Sciences (Allopathy, AYUSH, Dentistry, Nursing, Pharmacy, Physiotherapy).
- Graduates in any discipline with a demonstrated interest or experience in community health.
- Postgraduates in Social Sciences.
- Letter of Consent from employer if applicable.
- Good functional fluency in English (reading, writing, spoken).
